

Student Guidelines

1. All students are required to **REPORT ON TIME** for the test. Timely arrival is essential to begin the test without any disruptions. Students need to report at-least 30 min prior before the test. Late comers will not entertain for any technical issues. For example if your test timing is 10:00-11:00 a.m., you must report in your respective venue by 09:30 a.m.
2. All students are required to bring a **valid identity card** for verification purposes.
3. Kindly **bring your working laptop** along with its charger. Ensure that your laptop is fully charged or connected to power throughout the test.
4. Do not use any other internet connection other than the **LPU official available networks**, in your room, like **LPU Wireless or LPU Block-25 or LPU Block-26** etc.
5. Use the updated versions of **CODETANTRA Application** only for taking the test. Outdated CODETANTRA software may cause compatibility issues.
6. Before starting the test, ensure that your system is **free of cookies and cache** to prevent any technical issues during the test.
7. Do not open **any other window or application** on your computer during the test. Keep your attention solely on the test content.
8. There should be **no background application(s)** should be running other than the required OS processes. No one is allowed to use any AI tools or screen sharing applications.
9. **Do not use Bluetooth devices** like headphones/earbuds/mouse/keyboard etc. during the test.
10. Any use of **unfair means** during the test will result in serious consequences, including being reported for a case of **UMC**.
11. A **Mandatory MOCK TEST** has been available in the accounts of all the students. So all the students are required to attempt it, before appear for the continuous assessment.
12. In case of any issue kindly **report it in the room no. 34-301 or 34-301A immediately** after the completion of test. **No queries will be entertained later.**
